

Penguin Lady

Model & Diagrams
Jens Kober, 2015

Use a 15x15cm paper for a 8cm high model.

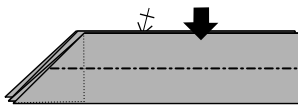

1. Start with the color of the skirt down. Fold in half.

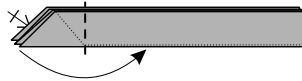

2. Fold top layer down. Repeat behind.

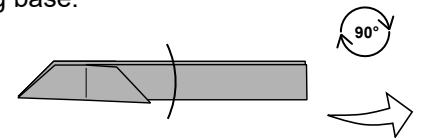

3. Inside reverse fold the corner. Repeat behind. Now we have half a pig base.

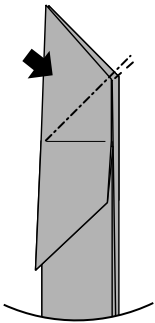

4. Open sink. Repeat behind.

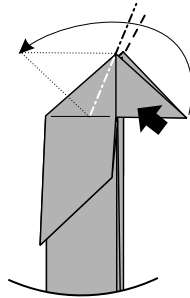

5. Fold the top flap over as far as it will go. Repeat behind.

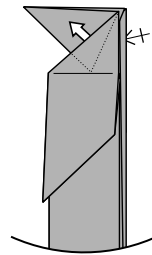

6. Rotate 90°. Enlarged view of the left part.

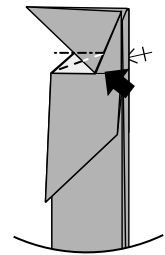

7. Inside reverse fold all layers together.

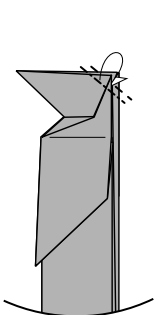

8. Inside reverse fold again at 22.5° resulting in a 90° top right corner.

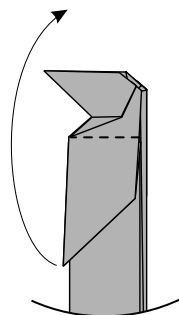

9. Release the top layer. Repeat behind.

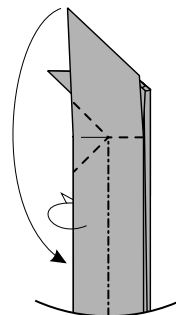

10. Inside reverse fold. Repeat behind.

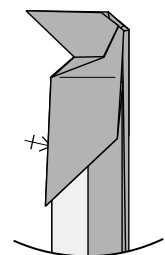

11. Round the head with mountain folds.

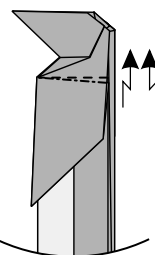

12. Fold the flipper up.

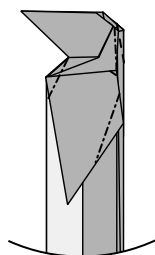

13. Fold the flipper back down and the top layer behind as indicated.

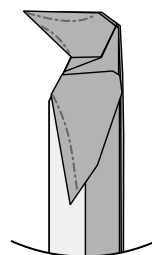

14. Repeat steps 12 and 13 behind.

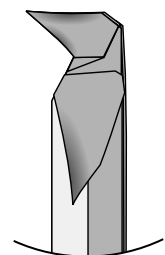

15. Add a small crimp to the flippers to rotate them slightly.

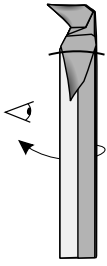

16. Shape the flippers and the neck with mountain folds.

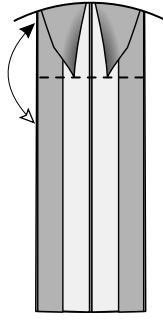

17. Shape the flippers and the head with soft mountain folds.

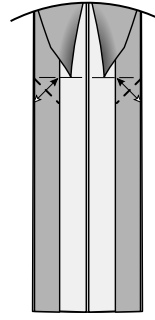

18. Back to original view.

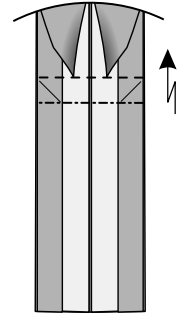

19. View from the left. Open the back symmetrically. Enlarged view of the bottom part.

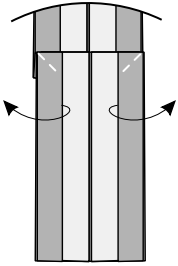

20. Fold and unfold at the tips of the flippers.

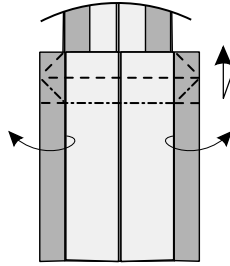

21. Fold and unfold.

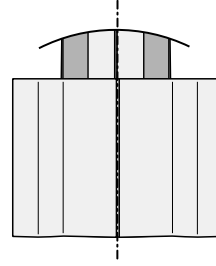

22. Pleat. The flippers will not be drawn in the following steps.

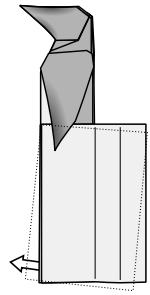

23. Open the dark layers using the creases from step 19.

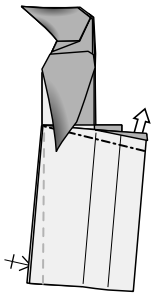

24. Repeat steps 19 and 20 to complete the color change.

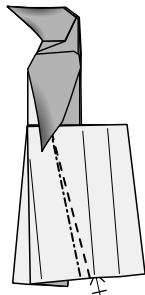

25. Close again.

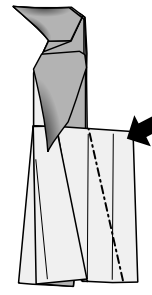

26. Pull the skirt forward.

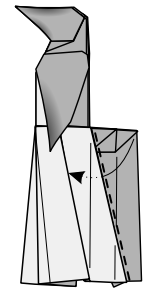

27. Pull top layers to the right and up.

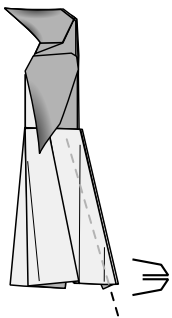

28. Add additional pleats to the skirt.

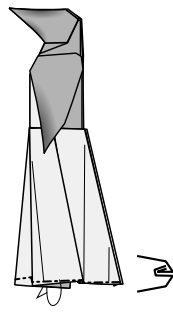

29. Inside reverse fold the top layer.

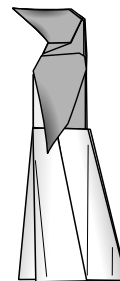

30. Tuck the bottom layer into the pocket.

31. Lock the two internal layers at the back of the skirt by folding them over.

32. Shape the bottom of the skirt with mountain folds.

Done.
